My heart's in the Highlands, my heart is not here,
My heart's in the Highlands a chasing the deer
A chasing the wild deer, and following the roe;
My heart's in the Highlands, wherever I go.
Farewell to the Highlands, farewell to the North
The birth place of Valour, the country of Worth;
Wherever I wander, wherever I rove,
The hills of the Highlands for ever I love.
My heart's in the Highlands, my heart is not here,
My heart's in the Highlands a chasing the deer
Chasing the wild deer, and following the roe;
My heart's in the Highlands, wherever I go.

T: You have studied the exhibition of students' works. There were poems in the genre of lyric poetry. Let's learn some information.

Хайку - жанр традиционной японской лирической поэзии, известный с XIV века. Поэт, пишущий хайку, называется хайдзин. Одним из самых известных представителей жанра был и до сих пор остаётся Мацуо Басё.

Хайку пишут только в настоящем времени: автор записывает свои непосредственные впечатления от только что увиденного или услышанного.

В сборниках хайку каждое стихотворение часто печатается на отдельной странице. Это делается для того, чтобы читатель мог вдумчиво, не торопясь, проникнуться атмосферой стихотворения.

Сегодня хайку продолжает быть популярным жанром поэзии. В дни празднования Нового года в Японии для привлечения удачи сочиняются хайку, посвящённые первому снегу в новом году или первому сну.

Ведущий 1: Now you will hear the anthem of the country. Guess, what country is it? What American holidays do you know. Name them. (New Year's Day Christmas Day Independence Day День Валентина Хэллуин Mother's Day). How do people celebrate Christmas in Russia? What do people do?

And now let's make a story about this holiday. "Thanksgiving Day". What facts do you know. Give some information about this holiday. These pictures will help you.
